TWENTY-FIVE YEARS!

Dear Friends,

This year, the American Polish Cultural Center is 25 years young!

The Center is home to a number of Polish-American organizations and clubs, the American Polish Cultural Society, the National Polish-American Sports Hall of Fame and the Wawel Restaurant.

Nearly one million visitors have come to the Center during just the past decade for cultural events, parties, banquets and just to see friends.

We're honoring our first quarter century with a Silver Anniversary Gala the evening of October 11, 2014 featuring cocktails, dinner and dancing. Each guest and contributor will receive a special commemorative Gala Program book about the Center and the Gala.

We would really enjoy featuring your advertisement or congratulatory message in the Program. It is a terrific opportunity for you, your company or your organization to demonstrate support for the Center and our dynamic local Polish-American Community.

Please consider placing an ad or message in the Program. Specifics about ad sizes, color options, rates and other information are listed in the enclosed advertising contract. The deadline for delivering a signed advertising contract and graphics is September 20, 2014. Net proceeds from the Program and Gala will support the efforts of the American Polish Cultural Society, our sister organization, in promoting Polish and Polish-American Culture.

We look forward to hearing from you.

Yours very truly,

Richard J Konrad, President

American Polish Cultural Center
